## **FACILITY USE DETAILS**

### **Directions:**

- Please select any locations and days that you would like to have access.
- You **must** also have approval from the Town Council before beginning to operate anywhere within Tiverton. The Town Council's authority supercedes that of the Recreation Commisison. If you have not recieved that already, please contact the Town Hall.

### **Notes:**

- Grinnells Beach has limited availability due to space restrictions. If there are multiple requests for the same dates/days, the Recreation Commission reserves the right to adjust schedules so as to be fair and equitable between vendors.
- Approval for use of either Pocasset or Town Farm comes with a stipulation that no vendor shall operate while any league concession stands are operating without explicit permission from the league in question.
- Vendors are responsible for all trash that comes from their truck/cart. If a town trash recepticle isn't available (which is the case at Fogland) you must provide one. Failure to do so may result is a revocation of approval.
- Vendors much operate in accordance with the hours of the venue and may not be on property before, or after, it's closed.
