

SPONSORSHIP INFORMATION

WWW.TIVERTONRECREATION.COM

Dear Community Business Owner and Leader,

After a successful 2022 Summer Concert Series, the Tiverton Recreation Commission is pleased to announce our 2023 **Summer Concert Series**, which will be held under the lights at the Raposa Softball Field in the Bulgarmarsh Recreational Area. This six-concert series will occur on Friday nights from July 7th to August 25th. These fun, family-oriented, events drew several hundred people for each show during our inaugural year, and we expect a bigger turnout in 2023. Thanks to the generosity of local businesses like yours, the shows will continue to be free to the community and will feature local artists, many of whom have been involved with the local music scene for decades and have a substantial following.

The Recreation Commission is excited to provide an opportunity for Tiverton to come together, and the response from the community has been overwhelmingly positive. To make this happen, we need your help. Thus, we are asking local businesses for help in the form of **Sponsorship**. We offer sponsorships at several levels, with the hope that companies from throughout the area will join us in making this happen.

Thank you, for your consideration to support and invest in our community, and if you have any questions or concerns, please contact us.

SPONSORSHIP LEVELS & BENEFITS

The Tiverton Recreation Commission invites your business to take part in the 2023 Summer Concert Series. With the venue for these shows being at a central location in town, we expect there to be an incredibly strong attendance.

We are seeking locally minded sponsors to help us provide this free, community event. When you sponsor Tiverton’s Summer Concert Series, your organization puts its brand in front of hundreds of residents, families, and music lovers from across the community.

The concert series is occurring at the Bulgarmash Recreational Area, on the field of the Raposa Softball field. In addition to a weekly, family-friendly show, food trucks will be on site to provide concertgoers the opportunity to grab dinner.

We have a sponsorship level for almost every marketing budget. Details of each sponsor level are listed below. We look forward to working with you.
